#SATAN searches the truth of the #outline of the doctrine (believe a lie, we will not die), but the #perception of GOD the TRUTH IN ALL THINGS is only what #ADAM learned, #ten-percent of the truth. Therefore, how many lies do you think the #spirit of that #bullshit (believe a lie, we will not die) SATAN search out, in #know-time.

#ENTERS #JOB and the #BET

#SATAN searched #JOB and made a wager, in #know-time. The book of JOB is not to #pleasing to people, we know the #OLD-TEXT was tampered with. A quick question: Will GREAT I AM let you kill? If you judged right, you know GOD would not let you kill, because HE is KNOW RESPECTER of PERSONS; with that said JOB is having #visions, in #know-time. When his kids were killed, he did not believe the lie that GOD let anyone kill his kids or was responsible, when he got sick he did not believe the lie that GOD made him sick. His wife tried to get him to blame everything on himself so GOD will forgive him but JOB will not believe a lie about GREAT I AM from his wife nor his #friends, in #know-time. SATAN loses to his BOSS #LORD-ABEL-THE-RIGHTOUS-GOD. In his loss SATAN reveals the way the spirit that hunts you in thought, the thoughts to be god we all have, it is in the words you speak your #doctrine that shows the #spirit that #drives-you, the spirit #ADAM and #EVE gave #everyone (believe a lie, we will not die). SATAN is just doing his job, keeping to the outline of the #bullshit doctrine; some #immature-minds with know #life-experience to make the #right-judgements would create. #Study the #book-of-JOB with that in #mind.

Knowing how the spirit of that doctrine drives men to believe a lie. The only plan is to kill the doctrine. #ENTERS THE #DOCTRINE-KILLER
